Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: This limitation would compromise
my quality of life by restricting my
ability to obtain medication my doctor
has prescribed & that I need. This service
is not available to me from commercial
pharmaceutical manufacturers, nor most
local pharmacies.
